

GIVEN SENTENCE; EXPECTED TO WED CHRISTMAS DAY

Arthur C. Stout, Prospect Heights, Sent To State Industrial School

OTHER COURT CASES

Thomas Fleming, Morrisville, Is Given Suspended Sentence

DOYLESTOWN, Dec. 13.—Arthur C. Stout, Prospect Heights, N. J., who expected to be married on Christmas Day, was sentenced to the Pennsylvania Industrial School for an indeterminate term by President Judge Hiram H. Keller, following his conviction on a rape charge by a jury.

When the jury returned a verdict of guilty of rape, assault and battery with intent to ravish and assault and battery, his mother emitted a piercing shriek of anguish and his bride-to-be also made an emotional outcry.

Judge Keller, who ordered the mother removed from the courtroom (she was carried out prostrate), in sentencing the 22-year-old defendant, who is a World War II veteran and had no criminal record, said: "Only your previous good record saved you from going to the penitentiary."

"The girl in this case showed more gumption than do most girls who have to put up with the same type of offense from young men. Most girls hesitate to say anything about it if they have an unpleasant experience but this girl did the right thing," said Judge Keller.

"Looking over the criminal court trial list for this term I was amazed to see that there are so many cases growing out of sex offenses. These sex crimes must be stopped."

Before Judge Edward G. Biester a jury acquitted Leon DePiera, 58, Warner Sand & Gravel Company marine watchman, who was charged with aggravated assault and battery in connection with a barge captain's wife.

After the jury acquitted the defendant and directed that the river barge captain's wife, the prosecutrix, pay the costs of prosecution, Judge Biester asked the District Attorney whether he had any motion to make. Following a motion made by District Attorney Willard S. Curtin, the costs of prosecution were placed on the county instead of the prosecutrix by Judge Biester.

Thomas A. Fleming, 21, 301 West Bridge street, Morrisville, who joined the Merchant Marine and later became a corporal in the paratroopers in order to forget Mrs. Helen James, 36, Clymer avenue, of Doylestown, was sentenced to 10 years in the State Penitentiary.

Conduct Candlelight Installation Ceremony

In a setting of candlelight, 18 members of the Junior Christian Endeavor, Bristol Presbyterian Church, enjoyed a covered dish supper, in the basement of the church, Sunday evening. The tables were decorated with greens and red candles. Favors were snow men made of marshmallows. The invocation was by the Rev. E. G. Yeomans.

An impressive candlelight ceremony was in charge of Mr. Yeomans at which time the newly-elected officers were installed as follows: president, George Kemmerer; vice-president, "Peggy" Packard; historian, Janice McLaughlin; treasurer, Eleanor Forster; social chairman, Robert Michaels.

Mrs. Marion Whips and Mrs. Edward Hetherington are counselors for the group.

Members of the American Home department, Bucks County Federation of Women's Clubs, participated in a tea on Wednesday at the home of Mrs. D. Barker Cook, county American Home chairman. The meeting was presided over by Mrs. Harold Bodtke, state federation chairman of that department.

HULMEVILLE

A trip was made to Middletown on Saturday by Mr. and Mrs. Harold Daseburg, where they were guests of Mr. Daseburg's brothers-in-law and sisters, Mr. and Mrs. Harry Neiss, and Mr. and Mrs. Don DiCenno.

Election of officers took place at the meeting of Miss Nellie E. Main's Sunday School class, Neshaminy Methodist Church, on Wednesday evening. The girls met at the home of Dorothy Harper, Bensalem township. Those chosen as officers: President, Doris Winder, Middle-town township; vice president, "Peggy" Bilger; secretary, Elizabeth Ermer; treasurer, Ruth Ann Potter, of Pennel. The class decided to make donations toward gifts which Mrs. Joseph LaPenta will take to hospitalized veterans in Trenton, N. J., and Philadelphia hospitals, prior to Christmas.

A turkey dinner was served to members of the Ladies' Auxiliary in William Penn Fire Co. station last evening, this being the occasion of the Christmas party. The committee in charge was composed of: Mrs. N. P. Larson, Mrs. Ernest Maret, Mrs. James J. Tracy, Mrs. Frank Roger, and Mrs. T. Cochran. Tables were attractively decorated in keeping with the Yule season; and a gift exchange and social time were arranged. Mrs. William Caylor presided at the business meeting.

A SUMMARY OF THE NEWS

Israel and Jordan were urged by the United States, it was learned yesterday, not to act precipitately on the United Nations decision for international rule in Jerusalem in a way that might disturb relations with other Arab states or the Vatican.

A Ukrainian attack in the Security Council on the Hague agreement creating a free United States of Indonesia was interpreted as a threat to foment Communist uprisings there. The commission appointed by the Council to settle the Kashmir dispute reported failure and suggested that one person with "broad authority" take over the task.

Inadequate support by governments limits aid by the United Nations. International Children's Emergency Fund to 10% of the 60,000,000 youngsters in need, a survey showed. The fund, celebrating its third anniversary, has served 2,500,000,000 meals.

Lord Boyd Orr, accepting the Nobel Peace Prize, said if nations gave to United Nations agencies one-hundredth of the money they spent on "war preparations," obstacles to peace would disappear.

The question of continuing "normal relations" with Bulgaria has been raised by the "indignities" heaped upon Ambassador Heath

CHARLES SEIFERT, PENNDEL, ENDS HIS LIFE EARLY TODAY

12-Gauge Shot-Gun Used, According To The Authorities

HAD NOT BEEN WELL

Discovery Made by Aged Man's Wife When She Goes to Basement

PENNDEL, Dec. 13.—An elderly man, who had been in ill health for a long period of time, ended his life this morning with a charge from a 12-gauge shot-gun, according to authorities. The deceased is Charles Seifert, 77, of Monroe street.

Discovery of Seifert's death was made by his wife, Sarah Greedy Seifert, when she went to the basement of their home at about 7:15. Mr. Seifert's lifeless body was found lying on the basement floor. It is believed he had been dead but a few minutes. According to officials, Mrs. Seifert did not hear the shot.

Seifert is said to have placed the shot-gun in his mouth and pulled the trigger, the shot taking an upward course through the brain.

A former employee of Northwood Textile Co., here, Mr. Seifert had resided in the Middletown township and Pennel area for most of his life-time. He was a member of Packenah Tribe of Red Men.

His survivors are his wife; two daughters, Mrs. Robert Boulden, of Doylestown, and Mrs. Robert Boulden, of Doylestown.

2,000TH BOY LISTED AS SCOUT IN COUNTY

First Time In History of County That 2,000 Have Registered

HARTSVILLE PACK 8 HAVE XMAS PARTY

The number 2000 may be just another number to many people but to Cub Scout Billy Goodwin of Pack No. 8 of Hartsville, sponsored by the Neshaminy-Warwick Presbyterian Church, it has a special meaning.

It also has a special meaning for the Bucks County Council Boy Scouts of America because Billy Goodwin is the 2000th boy to be registered during the year 1949.

This is the first time in the history of the Council that the active registered boy membership in Bucks County has surpassed the 2000 mark.

The fact that Billy Goodwin became the 2000th Scout was not planned. No announcement was made by the Council that such an important event was in the making. The records were watched closely as new boys registered each day and Billy Goodwin came in as No. 2000.

It was a great night at Hartsville Pack No. 8 when William C. Varcoe, the council organization and extension chairman presented the Bobcat pin to Mrs. Goodwin to pin on her son, and the Scout Executive, Raymond W. Hoxworth, presented him with his registration card as a Cub Scout.

His cubmaster, Tony Parsonese, and members of the Pack Committee as well as the 30 parents present, along with the Den Mothers and other visitors were highly enthusiastic because of the recognition.

RAINFALL OF THE PAST FEW DAYS IS SORELY NEEDED

Grave Concern Throughout Area Over the Water Shortage

FARMERS HAULING

Concern Expressed for Sufficient Supply Before Freezing

The rainfall of the past few days has been a welcome one generally.

In the Bucks County area there has been grave concern about the water shortage. In Bristol particularly there has been no hardship caused, but those in charge of the water supply here have been anxiously watching the skies during the past few weeks, and the gradually dropping of the water level in wells.

Farmers throughout Bucks and adjoining counties have been faced with an exhausted water supply. Creek beds in many sections have become arid. The farmers have been confronted with the problem of how to get enough water for their livestock. When wells are exhausted, water is usually found in streams, but with some streams dried, farmers must resort to hauling water from wherever they can find it.

Some farmers in the upper part of Bucks County have been purchasing water from Quakertown borough water supply.

Another concern is that unless it rains soon, the water supply will be exhausted.

WILL SPEAK HERE

ARTHUR SECORD

Who will speak at the meeting of the Industrial Management Club tonight.

EXPECT 200 TO ATTEND CLUB'S DINNER HERE

Bucks County Industrial Management Club To Meet At Croydon

TO DINE AT PHILCO

The Bucks County Industrial Management Club will hold its regular meeting in the Philco Corp. cafeteria, Croydon, this evening at 6:30 o'clock. Dinner reservations will be made for approximately 200 men. Invitations have been sent to members of the Bristol, Bensalem, and Morrisville Rotary clubs, The Bristol Exchange Club, and to all members of the Industrial Management Club.

Because of the extreme interest on the part of the membership of the club concerning the subject of human relations in industry and the manner in which men in this field of endeavor have been received, the committee has accepted the challenge of scheduling a recognized authority as speaker for this meeting.

The speaker will be Dr. Arthur Secord, who will speak on the subject "Personality and Industrial Management."

Dr. Secord is a native of Michigan and has chosen that state for his education. He received his A. B. degree from Western Michigan College of Education, and his M. A. and Ph.D. degrees from the University of Michigan. He has taught speech and human relations for a period of 22 years at Western Michigan College and the Universities of Michigan, Missouri, Western Ontario and Manitoba. For the past five years he has been supervisor of Adult Education at Brooklyn College.

"Dr. Secord is not only excellently qualified in his field but is an interesting and entertaining speaker and possesses a wealth of experience in addressing management clubs throughout eastern United States and Canada," it is stated.

BOROUGH COUNCIL APPROVES TENTATIVE PLANS FOR THE ENLARGEMENT AND IMPROVEMENT OF SEWER PLANT HERE; THE COST MAY BE \$325,000; AWAIT STATE'S APPROVAL

WATER SUPPLY IS TOPIC FOR COUNCIL

Question of Enlarging The Present Pumping Station Is Considered

WELLS' LEVELS DROP

Bristol finds itself in the same position as a number of other communities, facing a water shortage, and can't be too optimistic over the outlook, according to a report made to Borough Council last night by Councilman Dennis J. Roche, Chairman of the Water Committee.

He declared that the water level at the wells had dropped from 12 to 20 feet, a loss of eight feet, and that the water table all over the Eastern part of the country had fallen in similar fashion.

"We can't postpone too long finding additional water supplies," he said. "It's a question whether we are to improve the present water pumping station on Radcliffe street or build a new one."

In reference to the artesian wells, Mr. Roche explained that one well which had been giving 700 gallons a minute had dropped to 250 gallons a minute, and that after being treated had come back to 600 gallons a minute.

He mentioned the need for more water.

MAIL PACKAGES; DON'T BE A BELATED SANTA

Gift Containers Should Be Put In The Mails At Once

POSTMASTER'S ADVICE

Still wrapping Christmas gift packages? Better mail them quick, or you'll be a belated Santa.

Postmaster Joseph Duffy announces that Yuletide parcel post should all be put in the mail at once to assure delivery before Christmas.

Christmas packages have been flooding into the post office.

The Postmaster is having his usual seasonal headaches with fragile gift boxes that fall apart in the mails. All packages should be wrapped in heavy corrugated cardboard, the postmaster says. He suggests repeating the address on a card inside the package, in case the outer wrapping becomes torn.

Start mailing your Christmas cards, Postmaster Duffy also told local residents today. Greetings from out-of-state should be in the collection boxes by Thursday, Dec. 15, he said. Cards for local delivery should be mailed at least the Thursday before Christmas.

Extensive preparations have been made to handle the expected record flood of Yuletide mail. But the postmaster warned procrastinators that extended bad weather could snarl deliveries and leave a mountain of undelivered Christmas cheer on Christmas eve.

"It's better for your light-hearted Christmas card to arrive a few days early," he counseled, "than for it to limp in the day after Christmas."

COUNCIL AWARDS RUBBISH CONTRACT

Job is Given To The Same Contractor Who Is Now Doing the Work

JOB ANALYSIS REPORT

The report of the job analysis committee again came up for consideration of borough council, last night. The report submitted at the November meeting called for a full-time borough secretary, outlined his duties and simplified the duties of the borough treasurer. It fixed the pay of the full-time secretary at \$4,000 and that of the treasurer at \$400. At the November meeting this report after discussion was laid on the table until the December session.

Councilman James Egan, chairman of the committee, called the matter up for decision, last evening. Immediately Councilman Francis J. Byers, said that in his opinion adoption of the report as submitted, was in conflict with an ordinance which calls for the election of a borough engineer for a three-year term and delegates to him some of the duties called for in the committee's report to be performed by the proposed full-time secretary who would be elected for a two-year term.

STATE TO FIX DATE

Plant Will Also Care For A Portion of Bristol Township

Borough Council last night approved preliminary plans for improvements and extensions of the Borough sewer plant to conform with new state standards.

The estimated cost was placed at \$325,000, under present prices. The proposed capacity of the enlarged plant would be between 26,000 and 35,000 persons, estimated to take care of the Bristol area for twenty years to come.

In line with a resolution adopted by Council, these plans will be referred to the State Department of Health for its approval. The State will then fix a date for the beginning of construction, which it was explained may not be before 1952 or 1953.

William H. Boardman, Borough's consulting engineer, explained that the plans would provide for servicing a portion of Bristol township which could come in. The plans are still in general form, and will not be prepared in detail for competitive bidding until the state has passed on them.

Richard T. Myers, chairman of the Health and Sanitation Committee, stated that the plans had been gone over numerous times by his committee, and had its approval.

Handbag Cut Off Arm of Woman Shopping in Phila.

Handbag Cut Off Arm of Woman Shopping in Phila.

A Bristol woman, shopping in Philadelphia, yesterday, had the unpleasant experience of losing her handbag containing quite some money and other valuables. It is believed that the bag was cut from her arm.

Mrs. Vincent Cordisco, 322 Jefferson avenue, along with Mrs. Daniel Bonner, was on a shopping tour. They had made a purchase in a store and this purchase in a box was carried by Mrs. Cordisco, while the handle of the handbag was over her arm.

About 15 minutes after making the purchase Mrs. Cordisco was in the act of changing the package from one arm to another when she missed her handbag. It contained about \$50, auto keys, driver's license, and other valuables.

The incident was reported to police and the officer on duty stated that "that's about the 100th one today."

Councilmen Gather At Farewell Get-Together

A farewell "get-together" party was enjoyed by members of borough council, last evening, after the adjournment of the regular monthly session. The councilmen gathered at the Seibold Cafe, State road, Croydon, where they partook of a light repast.

The gathering was arranged in the nature of a farewell gathering, as the incoming council, with the beginning of 1950, will contain a number of new members.

Those councilmen who will not be members of the new body, extended their felicitations to their colleagues who were re-elected, while the latter recalled the pleasant experiences during the period that they had served together.

Retiring president, Charles G. Rathke, injected humor into the situation, and a spirit of friendliness dominated throughout.

Find Lifeless Body of Elderly Man in Cabin

NEW HOPE, Dec. 13.—An aged man, Milton Russell, 73, was found dead yesterday in the cabin where he lived alone, on the Stony Hill road, near here.

Mr. Russell, who was employed as a handy man, is believed to have been dead for about three days. He was last seen by neighbors on Thursday. Death, according to the coroner's certificate, was due to a heart ailment.

Neighbors notified state police who found Russell's lifeless body in bed.

Hoover Has Program to Save Two Billion

Washington—An eight-point program by former President Herbert Hoover to save two billion dollars a year sparked a drive today by the Citizens' Committee on Government Reorganization to cut government costs. Hoover presented his program at a meeting of the committee which is concluding today a two-day conference to prepare for a "grass roots" campaign. Hoover warned the federal deficit is rising. He recalled that the Administration had predicted a 5.5 billion dollar deficit for the current fiscal year, and said—"I believe it might be much greater for the next fiscal year. We may be turning two Frankenshtains loose in the land. Their terrifying names are 'Higher Taxes' and 'Inflation.'"

AWAITING THE CENSUS
Soon after the first of the year the work of taking the federal census will get under way. Results may have an important bearing upon such matters as the number of seats each state will have in the House of Representatives, and for that reason will be politically significant.

Under present apportionment states are entitled to one representative for every 301,000 of population. Originally there was one Representative for every 30,000 of population, increasing gradually to the present figure as the population of the nation grew.

When the results of the census are reported to Congress in January, 1951, that body will have 15 days in which to increase membership in the House. If any state loses or gains one or more members because of population shifts, it is the duty of the state legislature to change boundaries of various congressional districts.

There is little likelihood that membership in the House will be increased because of the increase in population. The present number of 435 is widely regarded as already too large for practical purposes. But politicians could ignore that fact and succumb to the lure of more public offices, a tendency apparent in recent years.

JAYCEE CRUSADE
When Congress reconvenes in January, the national Junior Chamber of Commerce will open fire with a broad-gauged educational program to win public support for Hoover Commission recommendations for reorganizing the federal government.

Adoption of the report in its entirety would lop more than \$4,000,000,000 from the annual federal budget, it is estimated, but the Jaycee's drive is destined to meet stiff opposition in congressional circles.

Despite the great merit of the Hoover plan, everybody and his cousin in Washington has been busily grinding the axe to kill provisions threatening their own little spheres of influence and interest. Power-hungry bureaucrats and patronage-minded Congressmen are teaming up to reduce the report to a travesty.

That is why the public must be aroused. That is why the Jaycees by dimming into the minds of the folk back home what it is that the nonpartisan, nonpolitical commission has tried to do may be able to turn the politicians from their selfish, devious ways to the path of statesmanlike public service.

Let us pray for those who are suffering, physically, mentally, or spiritually, that they may feel the strengthening and comforting hand of God: O merciful God, and heavenly Father, who hast taught us in Thy holy Word that Thou dost not willingly afflict or grieve the children of men, look with pity, we beseech Thee, upon the sorrows of those for whom our prayers are offered. Comfort and relieve them according to their needs, endue their souls with patience, lift Thy countenance upon them, and give them peace, through Jesus Christ our Lord. Amen.

To the Man Who Is
Worried About His Friends...

Occasionally, we encounter a man who hesitates to buy a Cadillac for fear his friends might think him ostentatious.

For all such people, we have the most reassuring news: The experience of Cadillac owners would indicate that your fears are without foundation.

True, the world has long since recognized that a Cadillac car is a fine and distinguished possession—but most people understand that quality is not a luxury, and that distinction is the offspring of goodness.

The facts in support of Cadillac's practicality are so convincing that the mere recital of just a few should be sufficient reassurance for the most hesitant buyer. Take, for instance, the matter of cost. There are eight other makes of cars which actually have certain models that are priced above the lowest-priced Cadillac.

There is long life, for example. Four Cadillacs, of the 1942 Series, ran a total of 2,599,000 miles in a test recently conducted by a great tire manufacturer—almost 650,000 miles per car. All four were then sold into private service—and are still going strong!

Then there is economy. Innumerable tests show that the 1949 Cadillac actually approaches the lowest-priced popular cars in gasoline economy.

And, finally, there are the dependability records—which prove that the car's freedom from the need of repairs is just as unusual as its performance and beauty!

Yes—if you are ready for a Cadillac, come in. You will never make a more sensible purchase—or one of which your friends will more heartily approve.

STRONG ALUMNI LINE-UP TO FACE B. H. S. WARRIORS

The strongest Alumni lineup in years will face the Bristol High Warriors tonight in varsity and junior varsity games on the local wooden way. Opening tap-off is scheduled for 7:30 o'clock.

Manager Stan Lelinski, of the Alumni, has massed together some of the best shooters and defensive players that have graduated from the local institute of learning.

Included in his array of players are: "Johnny" Pindar, who led the local school in scoring two seasons ago, and broke all records in the Bristol Basketball League last season; "Dezzy" DeLase, who was one of the high scorers of several seasons back; Joe Wallick, who broke all records in the Bristol Youth League, two seasons ago; Allan Burton and "Toby" Oriola, two of the best defensive players that were a Bristol High uniform; and "Ham" Konefal, "Val" Bielecki, and "Don" DeLone, of last season's squad; plus Lelinski himself, "Lou" Mari, and "Howie" Keys.

The junior varsity team of the Alumni will also carry ten players which will enable Manager Lelinski to use a platoon system of shifting five players at a time. He has "Mickey" Iannucci, Earl Cross, Frank Beck, Nick Centofante, Emil Prakska, Dave Morrell, Oliver Adams, Horace Saxton, Frank Genco, and Michael Gardull. This team will report to the high school "gym" at seven o'clock.

the same borough, was given a suspended sentence on a malicious mischief charge by President Judge Hiram H. Keller and directed not to see her or drive by her house.

"Stay away from the premises of Mr. and Mrs. William Stull James and refrain from associating with Mrs. James," said the Court, who placed the young defendant, now a kin worker, on probation for one year. He was directed to pay the costs of prosecution.

Mrs. James, who admitted that she used to call Fleming's home when he was 16 years old and give the name of "Violet Connelly" so that Thomas' step-mother wouldn't recognize her, said: "He told me he was 16 when he was only 14."

"And how old were you at that time?" Wilbur S. VanDine, counsel for the defendant, asked. Mrs. James hesitantly testified she was 31. "You were nearly twice his age and should have known better."

Mrs. James, whose husband, William S. James, had the defendant arrested on charges of aggravated assault and battery and assault and battery, but later withdrew the former count, testified that the defendant did break records in her home November 3 and that on August 25 he ripped the telephone from the wall.

"I told Tom to go before Mr. James came home, but he wouldn't leave," said Mrs. James.

District Attorney Willard S. Curtin informed the Court that he received complaints about the young man driving his car by Mrs. James' house and wanted it stopped. The defendant was in prison here.

Choral Club To Present First Program At Party

NEWTOWN, Dec. 13 — On the occasion of the meeting of the Newtown Junior New Century Club, this evening, the new choral club of the organization will present its first program.

The choral group is directed by Mrs. Francis Brady, and was formed two months ago in response to a plan of Mrs. Daun E. Nute, Morrisville, music chairman of Bucks Co. Federation of Women's Club.

Mrs. Nute desired formation of a Bucks Co. chorus, drawing its memberships from club choral groups throughout the county.

At present there are four New Century Club members singing with the group, Mrs. Alfred Anslar, Mrs. F. Attwood Brocklebank, Mrs. Russell Janney and Mrs. B. Warner Shay and seven Junior New Century Club members, Mrs. Grace Baker, Mrs. Forrest Blum, Mrs. Raymond Goodnoe, Mrs. Crawford Motson, Mrs. Charles Lutz, Miss Lorraine Ramsey, and Mrs. J. Preston Van Arsdale.

The Choral Club will sing three carols, "Deck the Halls," "The First Noel," "Silent Night," and an unusual arrangement of "White Christmas" and will then lead in the group singing of several other carols.

Mrs. Frank Skerdlant, chairman of the Christmas Party, has also planned appropriate games to assist the new and old members in becoming better acquainted. Refreshments will be served during the social hour by the hostesses, Mrs. Wayne Dallas, Mrs. Forrest Blum and Mrs. Blaine Garner.

water to supply industries which might desire to locate in this vicinity.

William H. Boardman, the Borough's consulting engineer, was called to Council floor. He also referred to the water shortage existing throughout the East, which he attributed to lack of rainfall.

He said that the Bath street wells had been supplying two and one half million gallons daily, and Edgely one million gallons, and the pumping station a million and a half.

Mr. Boardman referred to a number of communities throughout Jersey which find themselves in a similar water shortage, and said that much water could be conserved here by the installation of meters. However, he suggested that the subject should be given a thorough study before any definite plans were made either as to enlargement of the plant or in the installation of meters.

SIX PLAYERS TO BE HONORED AT DINNER TOMORROW NIGHT

Six players from the Lower Bucks County League will be honored at a dinner at the Hopewell Manor House, Hopewell, N. J., Wednesday night. The affair is being sponsored by Morrisville's radio station, WBUD, and its sports director, Harold Sadt, will be toastmaster.

Those from this section who will receive awards are: Edward Oliver, Bensalem Township; Joe Dominick, Bristol; Bob Felver, Ray Johnson, Peter Martin, and Johnny Marcucci, Morrisville. Felver and Johnson were chosen on the first team of the all-Trenton area eleven while Oliver, Dominick, Martin, and Marcucci were picked on the second eleven.

The other players on the teams were from Trenton Catholic, Trenton High, and Hamilton High.

Also invited to the affair are the following coaches from this area: Harry McClister and Jerry Bloom, Bristol; Gordon Davies and Alex McDonald, Morrisville; and Marion VanHorn, Bensalem Township.

Council Awards Rubbish Contract

that a meeting will be held next week for the preparation of the tentative budget.

The contract for the collection of ashes and rubbish for the year 1950 was upon the recommendation of the street committee, awarded to Elwood Balderson for \$9,600 the same as the present contract. The report was submitted by Councilman, William H. Pearson, chairman of the committee.

The statistical report of the police department was read by Secretary, Joseph B. Keating, as follows:

Police made two arrests during the month and both persons were fined. The charges were disorderly conduct. There were 98 lodgers sheltered, 21 incandescent street lights were reported out and five arc lights. One door was found unlocked after mid-night; two dogs destroyed, 52 escorts furnished, three lost children returned to their homes, warnings given to seven juvenile bicycle riders, and two ill persons assisted.

The police radio car answered 214 alarms and the motorcycle responded to 43 calls, Bristol Township radio car answered 57 alarms, the Bristol police car was driven 3725 miles.

Sixty-four were fined for parking violations and \$72 was collected for these fines. There were three automobile accidents. Property was damaged in one, one pedestrian was injured and two persons were hurt in automobile accidents. The parking meter collections totaled \$1,000.

Two were fined for passing red light, one arrested for speeding, one for operating without a license and one was summoned for parking violation. The fines were \$10 for speeding, \$5 for passing red light, \$10 for operating without a license and \$2 for parking violation.

It was reported by Richard T. Myers, chairman of health and sanitation committee, that the plumbers examining board, reported that 30 plumbers had taken the written test under the new plumbing code and that 28 had passed. Fourteen had taken the practical test and 12 had passed.

The committee recommended that the salary of the plumbing inspec-

tor be fixed at \$1800 annually, to include the cost of operation of a privately owned automobile.

Mr. Myers also stated that the bid of Wilson Kulp for garbage collection for next year, was not clear to the committee and that the committee had re-advertised for bids to be opened December 21st.

The reimbursement of the Bloomsdale Estate Company for over \$8,000 which the company paid for installation of water mains in the company's development, was referred to the water committee. The reimbursement is under an agreement made in 1919 that such money would be refunded when the water rentals from the development equalled 10 percent of the cost of laying the water mains and at such time as Bristol Township accepted the streets and they had been dedicated as public thoroughfares. These terms have now been complied with.
